2017 Annual Report

Birthday Party for Jesus 2017

Work Camp Crew 2017

It is a fact that the work of our congregation cannot be contained in the pages of an Annual Report, no matter how voluminous! In this report we are striving for brevity. The information before you is the framework that supports the many vital ministries of our congregation. Enclosed you will find a listing of the elected leadership (Session & Deacons), a summary of our financial reports, as well as some statistical information. These bare-bone, factual aspects of our common life are important, but only in how they support the ministry that happens each and every day. I am grateful to the many members and friends of OPPC who carry the gospel with them and bear witness to Christ's love. That is what we are all about.

I am especially grateful this year for the efforts of our Emergency Preparedness Task Force. Formed in 2017 this group will continue their work into 2018. The goal is to develop a thoughtful master plan that will balance our desired openness to the community with the safety of our many users. This initiative will also address long standing concerns about security for the children's programs that utilize space in our education wing five days a week. Our goal is to complete this process by mid-2018.

With thanksgiving for what God has done in the past and with hope for what God will do through us in the year to come, I remain,

Faithfully yours,

Dick Young, Pastor

Church Officers

Our church officers play a vital role in the life of our congregation. The Session is responsible for the governance and oversight of the congregation. The Deacons are the core of all caring ministries within the congregation. These folks are elected by the congregation to serve 3-year terms. We are grateful to those who step forward and accept responsibility for serving the church in these special ways. Nominations for elder and deacon are considered in March and April for elections in May.

Financial Report

Thanks to the generosity of many members and friends, OPPC finished the year in a strong financial position. The Operating Budget saw expenses track very close to actual income, while the performance of our Legacy Fund saw significant growth thanks to strong financial markets combined with additional contributions to that fund from bequests and planned gifts.

Our current practice is to annually withdraw \$30,000 from the Legacy Fund, placing \$10,000 in each our directed funds: Mission, Property, and Program. These funds are then expended for special projects in that area, contingent on Session approval.

Questions about the budget, the Legacy Fund, or ways to support OPPC may be directed to Debbie Babski, Office Manager; Mick Griffin, Chair of Administration and Finance; or Rev. Young.

OPPC Board of Deacons

The ministry of the Board of Deacons helps to authenticate and live into our mission to be “A Thriving Faith Community Engaged in Compassionate Service.”

Each board member is responsible for providing attentive care for three to five individuals who receive regular phone calls, visitation, and response to any special need they might identify. This board has made significant strides in offering care through the ministry of our Faith Community Nurse and the Health Care Ministry Team through personal consultation, seminars, and other educational opportunities.

The Board of Deacons is organized to provide receptions following memorial services, transportation to doctor or other health-related visits, house sitting, and meal entrees delivered to homes in times of need.
